Let Us Introduce You To NLS Rentals ...

A professional, convenient, cost-effective, and collaborative solution to managing rental property information on Nantucket. For the first time in Nantucket vacation rental history, homeowners, tenants and rental agents can all come together in one place to input, update, browse and book island rental properties.

NLS Rentals provides a web-warehouse in which rental property information is entered and maintained, then made available to the public across the worldwide web, including to local agents and prospective tenants. Imagine ... one place to send updates, one place to send emails, or one phone call to make. NLS Rentals also allows homeowners direct web access to their own information, if they prefer, providing 24 hour, password protected access to their account.

NLS Rentals is owned, based and operated by a trusted name in Nantucket real estate data. We are a local company with over 35 years of experience in the Nantucket real estate market and a reputation for accuracy and integrity. Years of experience in the Nantucket rental market, has placed us in the perfect position to meet consumer demand for a professional and time-saving way of marketing and updating Nantucket rental properties, while simultaneously providing the data to island rental agents and tenants seeking a rental on Nantucket.

Please contact us if you are interested in finding out more about our service. Check out our demo website at www.nlsdemo.denby.com, where you can subscribe and try our site for free.
